2. Company Overview

BEZA GENERAL TRADING FZ-LLC is a professionally structured general trading and export company established to connect Ethiopian agricultural producers with international markets. The company specializes in sourcing, processing coordination, and export of high-quality Ethiopian-origin commodities for global buyers.

Operating from the UAE and Ethiopia trade corridors, BEZA GENERAL TRADING FZ-LLC functions as a reliable export partner for importers, manufacturers, wholesalers, and commodity traders seeking consistent quality, accurate documentation, and dependable shipment execution.

Our business model emphasizes buyer-specific specifications, regulatory compliance, and long-term commercial relationships, rather than spot trading.

3. Strategic Focus

BEZA GENERAL TRADING FZ-LLC is strategically positioned to serve:

- Importers requiring origin-certified Ethiopian products
- Manufacturers seeking raw materials with defined specifications
- Wholesalers and distributors demanding consistent supply
- Food processors, spice blenders, oil extractors, and industrial users

The company's strength lies in its product knowledge, export documentation capability, and logistics coordination, ensuring seamless trade execution from origin to destination.
